

# Lacey Baseball/Softball Complex

## Field Use Policy

Field use in all instances throughout the year will be determined and allowed by the Lacey Complex staff. Wet/soft fields will not be used for practices or games, until the facilities manager determines use will not harm the fields.

### Scheduling of Fields

Each spring, priority will be given to the Little League user group to schedule games and up to two (2) practices per team on the Lacey Complex fields:

- Practice schedule for the Little League Season will be given to MCRF by the third Sunday in March.
- Game schedule for the Little League season will be given to MCRF by the second Sunday in April.
- No reservations prior to the third Sunday in March (first come, first serve practices only).
- Once the Little League practice schedule is received and recorded on the MCRF Master Schedule, remaining dates will be opened up to other user groups
- Teams from other user groups will be allowed to reserve a maximum of two (2) practice spots per week, when available. These reservations will be recorded on the Master Schedule.
- All remaining times and dates are on a first come, first serve basis.
- If Little League rain make up games need to be scheduled on a night that other user groups have reserved a field for practice, the user group rain make up game will take precedence over practices, within a 24 hour notice. *Fields must be reserved through MCRF @ 641-672-2499.*
- All fields must be reserved prior to 3:00 p.m. the day of practice
- Once Little League's season has begun, any unscheduled fields may be reserved through MCRF on a first come first serve basis
- T-ball can be schedule through MCRF once LL games have been finalized

The Master Schedule will be posted and available for review by the user groups and general public at <http://www.teammahaska.org> *Revision March 26, 2010*
